Admission Interviews

During the admission cycle, admission interviews are held monthly on the Livonia campus. Call the Graduate School office at 734-432-5667 for upcoming interview dates. Admission files must be complete in order to schedule your interview. Interviews by video-conference may be arranged with advance notice for applicants who live a distance from campus.

Mode of Delivery

The post MSN model of DNP program is designed for working professionals who will likely remain employed throughout the course of study. With this in mind, the program is set up to maximize flexibility for students using an executive model of course delivery.

The majority of course work will be completed on-line. In addition, students will come to the Livonia campus every 4-5 weeks for 1.5 days for face-to-face classroom activities, advising, group project work, professional activities, etc.

The on-ground session dates will be scheduled two (2) semesters in advance, so that students' calendars can be arranged. The sessions will be held on Friday afternoon, beginning at 1 PM, and continue all day on Saturdays.

For the **May 2009 cohort**, the following on-ground sessions are scheduled for the spring/summer 2009 and the fall 2009 terms:
