Madonna Breakfast Meeting to Highlight Elder Care Resources March 26

What: Madonna University will host a free geriatric care event for families and individuals caring for elderly loved ones who have physical impairments or dementia. Professional geriatric care managers will provide information and discuss available resources and support services. The meeting is free and open to the public.

“Oftentimes family caregivers burn out because they don’t know what resources are available to assist them,” said Sue Sweeney, chair of Madonna’s gerontology department. “Geriatric care management is a useful tool in which managers assess needs, inventory resources, and develop a workable plan of care that integrates assistance from family members, friends, neighbors and community services.”

A continental breakfast will be served. For more information or to RSVP, contact 248-375-9125.

When: Thursday, March 26, 9-11 a.m.

Where: Madonna University
University Center Dining Room
14221 Levan Road
Livonia, MI. 48154
(Parking available in North Residence Hall lot)
