## **New Michigan Works-approved Programs Offered at Madonna's Orchard Lake Center**

*Fall course registration open through Sept. 4*

LIVONIA, Mich. — Oakland County students and working professionals can enroll in one of three new programs at Madonna University's Orchard Lake Center. Certificates in e-commerce and aging-older adults, as well as a bachelor's degree in hospitality management, will be offered at the Center this fall.

Each Certificate of Completion requires only nine semester hours. "This short-term plan of study is ideal for displaced workers, or anyone looking to increase their job credentials and boost their resumé," said Ann Lies, Orchard Lake Center student service coordinator.

According to Lies, almost every degree program and certificate offered at the Center is approved by Michigan Works for the No Worker Left Behind Program. For more information about the program, visit [www.mycareereducation.org](http://www.mycareereducation.org).

Also new this fall, the bachelor's degree program in hospitality management combines classroom study and practical internship experience, providing students with employable skills for careers in the emerging hotel, restaurant and tourism industries.

Conveniently located on the north-east shore of Orchard Lake in West Bloomfield Township, Madonna University's Orchard Lake Center offers general education courses, certificates, and undergraduate degree programs, as well as master's degrees in business, teaching autism spectrum disorders, and interdisciplinary studies.

Registration for fall courses is open through Friday, Sept. 4; classes will begin Tuesday, Sept. 8. A full course schedule and application for admission is available at [www.madonna.edu](http://www.madonna.edu).

Current students can register online, and all students can register in person at Madonna's Orchard Lake Center, located at 3735 Commerce Road in Orchard Lake. For more information, please call 800-852-4951.

In addition to its main campus in Livonia, Madonna University also offers classes in Gaylord, Macomb and Southwest Detroit.
