Madonna's RN Refresher Course Prepares Nurses for In-demand Job Market *Students Earn 72 Nursing Contact Hours*

What: To help meet the growing need for registered nurses, Madonna University offers an RN refresher course. The 12-day class prepares licensed nurses who have been away from clinical practice, to re-enter the job market, and provides working nurses with a training refresher for their current job. Upon completion, students earn 72 Nursing Contact Hours.

The course addresses adult medical-surgical conditions commonly found in hospitals, homes and long-term care facilities. General concepts of care, assessment and pharmacotherapy will be presented, along with clinical practice guidelines, management of emergency conditions and discharge planning. The program also provides such job search assistance as; healthcare provider BLS renewal, one-on-one resumé review with faculty, and lunch-time presentations by local hospital recruiters.

Nurses can register now for this 12-day course. The \$800 course cost is discounted \$50 for those who register before April 3. For more information and help with registration, contact Marilyn Harton at 734-432-5449 or mharton@madonna.edu.

When: April 20 – May 7, Monday – Thursday each week, 9 a.m.-3:30 p.m.

Where: Madonna University
36600 Schoolcraft Road (at the intersection of Levan Road, off I-96)
Livonia, MI 48150
