FOR IMMEDIATE RELEASE: Thursday, September 10, 2009

## **Nurses Can Update Their Skills With Madonna's RN and EKG Courses**

**What:** Madonna University will offer an RN refresher course and basic EKG workshop this November, to help meet the growing demand for trained healthcare professionals.

The 12-day RN refresher course prepares licensed nurses, who have been away from clinical practice, to re-enter the job market, and keeps working nurses current. Upon completion, students earn 72 nursing contact hours.

Beneficial for registered nurses working in cardiac monitoring areas, the EKG workshop provides a review and update on the basics of EKG interpretation and dysrhythmia recognition. The two-day workshop also helps prepare nurses to take an ACLS certification course. Students earn 12 nursing contact hours upon completion.

Nurses can register now at [www.madonna.edu](http://www.madonna.edu). Select the *Continuing Education* box at the bottom, right corner then *Registration*. Tuition for the courses — \$750 for RN refresher and \$120 for EKG — includes all instructional materials. For more information and help with registration, contact Marilyn Harton at 734-432-5449 or [mharton@madonna.edu](mailto:mharton@madonna.edu).

**When:** RN refresher course: Monday – Thursday, Nov. 2 – 19, 9 a.m. – 3:30 p.m.

EKG Workshop: Fridays, Nov. 13 & 20, 9 a.m. – 3:30 p.m.

**Where:** Madonna University  
36600 Schoolcraft Road (at Levan Road, off I-96)  
Livonia, MI 48150
