Resumé and Interview Workshops at Madonna University, Sept. 28 & Oct. 5

What: Community members can create, update or fine-tune their resumé, and gain tips for successful job interviews, during two workshops taking place at Madonna University.

During the Resumé Writing & Job Interviewing workshop, Madonna Career Services staff will show how to build an eye-catching resumé, tailored to a desired position. They also will discuss interview preparation, dos and don'ts, and frequently asked questions.

Participants should bring their resumé for Madonna's staff to review during the Walk-In Resumé Critiquing Workshop. "A well-prepared resumé can set apart an applicant in a competitive job market and significantly increase the chance of landing an interview," said Chris Brant, director of Career Services at Madonna.

The workshops are free to Madonna University students and alumni and \$10 for all others. Those who wish to attend are asked to pre-register at least a day in advance. For more information or to register, contact Chris Brant at 734-432-5620.
